

Calpeda Wates Pressure Vessels

Built-in pressure gauge

(Models 100-10,000)

Interchangeable membrane with unique tiered design

8 to 10,000 liters (10, 16, 25 bar)

ISO:9001, Gost, CE approved

Calpeda Series of interchangeable diaphragm and high pressure vessels are available in 10, 16 and 25 bar pressure ratings and in sizes up to 10,000 liters.

Models 100 liters and above are designed with a built-in pressure gauge

Maximum working temperature 8V - 1,500V -20 °C/-5 °F - 100 °C/210 °F

2,000V - 10,000V -10 °C/15 °F - 70 °C/160 °F
